Tie Breakers after Round Robin Play

Points for Regulation Win = 2 Pts, Tie = 1.0 Pts, and Zero Pts for a Regulation Loss.

1. If 2 teams are tied in points, the following order applies to determine the ranking of teams:
 - a. Head-to-Head.
 - b. Most Games Won.
 - c. Best differential Formula = Goals For / (Goals For + Goals Against) ****
(When applying this formula, the maximum goal differential in any game shall be no greater than 6)
 - d. Least Goals Against.
 - e. Most Goals For.
 - f. Least Penalty minutes during the tournament.
 - g. Flip of a coin.

In the case where more than 2 teams are tied in points, the above order applies to determine the ranking of teams:

(The tied teams will go through each tie breaker until ONE team is determined the winner; Ex. *If no team is determined ahead of all other teams after Tie Breaker #1, then it will move on to Tie Breaker #2, etc.*).

All teams must apply to the tiebreaker for the tiebreaker to be applicable. (Ex. 3 or more teams tied in points move to the second tie breaker: "Head-to-Head". If ALL teams have NOT played each other then the head to head tiebreaker cannot be applied moving on to tiebreaker 3.)

Teams who play each other in the round robin will not play each other in the first round of playoffs.
